Reaching the world with the message of the Father's love

September 2004

It's been a Moving Experience!

Oh, give thanks to the Lord for He is good!!!! He is so very good. We want to testify to His goodness on our behalf this past month! How we love our new home where the deer and the antelope roam....ok, no antelope but the mama doe and her twin fawns visit us daily. So cool! So country, so quiet, so God!

We are now Philippians!

Please change your address book information. Being mobile and fluid in Father's hand all these years has made a mess of address books, sorry. But, our obedience is for the furthering of the Kingdom of God as we continue to press in to His calling on us to demonstrate His love to all!

Now *both* the ministry and we have the same mailing address:

We thank all of you a far off and near who prayed for us during this move. It was the most blessed of any venture like this we have ever made. The Lord supplied such help! He is so good! Friends and neighbors came flocking to our aid moving furniture, storage unit boxes, appliances, folding last month's newsletter and labeling envelopes so I could pack, cleaning the townhouse, scrubbing walls and windows here, stripping wall paper, supplying meals and loads of encouragement.

THANK YOU LOVING FRIENDS OF WEST VIRGINIA!

Within three weeks we had sanded walls, primed and painted, cleaned and repaired, unpacked and organized most of the stuff, arranged furniture and prayed for strength, creative decorating ideas and provision. Much was needed in the way of good ol' fashioned money and bit by bit it showed up just in time!

Here are just **a few** testimonies:

On August 6th we needed the washer and dryer moved. A neighbor in Elkins purposely obtained an appliance dolly and asked if he could move them for us. Huge blessing.

On August 16th we were to pay a 1/2 month rent. Randy was on his way to the mail box in Elkins to see if there was some blessed envelope from one of you awaiting us in order to have exactly all that was needed. Before he left our dear landlord came by and was so amazed at all the work we had accomplished and how beautiful things were looking that he decided to tell us to just forget about the rent until September. Which, by the way, was paid in full a day early!!!! **God is Good! Glorify Him with us, Please!!!**

On August 22nd a friend here who knew I had a desire to dress the living room doors and windows with tab top curtains was lead of the Lord both to find the exact curtains *and* to purchase them for us. God is so very Good!

While on our **Ministry trip to Massachusetts** last week we were given 2 lawn mowers, an art deco lamp, a lovely wall mirror, and full length formal drapes for the dining room!

August Meetings News

We know that you enjoy hearing about the ministry that the Lord is doing through us so that again, **HE may be glorified**. Jesus prayed that we would bear much fruit, not so that we could toot our own horn, but so that the FATHER might be GLORIFIED! The disciples in Acts 2, 29 & 30 prayed for boldness to speak the Word and they prayed that God would "stretch forth His hand to heal; and that signs wonders and miracles might be done by the name of His holy child, Jesus!" Thus have we been pressing in before the Lord, that HE would do wonderful things in the meetings and that He would be glorified in our life. He is doing just that!!!

Along with moving we held two **Women of the Light** meetings and a **New River Renewal Gathering** as well as a trip to Massachusetts where we ministered on Thursday at St. Pats and on Friday at Mid Cape Assembly of God! Besides that there have been some great one on one times with people. As we enjoy walking hand in hand with the Lord we rejoice in seeing lives being impacted by His goodness. The power of God comes as we rest in His awesome presence and we are continuing to see physical and emotional healings ministered by the Father's love.

Randy shared last month at the Renewal Gathering about being hungry for God as being the catalyst for the power of God to come into our midst. We are all sensing that all the Lord is wanting is for His children to really WANT HIM!!! Not focusing on what He has or what he can do but becoming passionate lovers of God for who He IS.... Becoming hungry for Him....is changing the atmosphere of our lives!

One lady, at the end of the Women of the Light meeting in Buckhannon, told me that she was so tired and thought about staying home that night. However, she remembered that the Manifest Presence of God comes and fills the meeting place when we come together to worship Him. She knew she would be refreshed and so she came. Glory to God! That is what we like to hear....people recognizing that what we do is not about fancy equipment, prepared music or teachings, planned scheduling of the time, but total abandonment to the will of the Father that Jesus wants to carry out through the precious Holy Spirit.

A huge thank you to those of you who have invited us to come to your churches, groups, and homes. It is always our pleasure to be available to the Lord and to His people. We are looking forward to more opportunities to share Father's love. Please agree with us for an explosion to come to the ministry. We know it is the Father's desire to see signs, wonders and miracles happening in our life and in the lives of all those to whom we are connected!

The Envelope

We would like you to know that the **enclosed envelope** is a **response envelope**. It can be used for whatever way you wish to respond to us. IF you should be *prompted of the Lord* to give financially, it provides a convenient way to do so. **However**, we want you to feel free to use the envelope to drop us a line or two once in a while. We truly love each one of you, and we pray for you daily because you are part of our ministry family.

So, here are some response envelope usage ideas:

(`cause we really like to stay connected and feel apart of your life too)

*news from your life— testimonies that glorify the Lord

*prayer requests—burdens of your heart

*questions about our ministry

*comments on the newsletters or even if you don't want to receive them any more....

*a recent picture of yourself... * a favorite recipe * an inspirational thought * a helpful suggestion etc.....
